Washington Public Records Act APPEAL

Spokane Police Department
Washington Public Records Act Appeal
808 W. Spokane Falls Boulevard
Spokane, WA 99201

December 19, 2018

This is a follow up to request number C000900-111218:

> In accordance with Section 6.5 of the City's Public Records Request policy, if you wish to appeal a determination to withhold information, you may petition in writing or by email to the City Clerk's Office for a review of the determination within sixty (60) days of the denial of access. -----

I am appealing these redactions under RCW 42.56.030. The titles of sections are not *specific* information and are therefore not acceptable for redaction. Additionally, given the choice to redact information that is clearly not allowed to be redacted, I contest the redaction of all remaining information.

PLEASE NOTE: This request is not filed by a MuckRock staff member, but is being sent through MuckRock by the above in order to better track, share, and manage public records requests. Also note that improperly addressed (i.e., with the requester's name rather than "MuckRock News" and the department number) requests might be returned as undeliverable.

On Dec. 10, 2018:

These exemptions clearly violate the Washington State PRA. Please provide an unredacted version compliant with RCW 42.56.030:

"This chapter shall be liberally construed and its exemptions narrowly construed to promote this public policy and to assure that the public interest will be fully protected. In the event of conflict between the provisions of this chapter and any other act, the provisions of this chapter shall govern."

Mr. Dukes:

This is a follow up to My November 19, 2018, response to you (copy attached) wherein I indicate the responsive document to your November 12, 2018, public records request is available for your inspection and copying by accessing your "My Request Center" account through the City's public records portal (GovQA). I notice your request indicates your preference is to receive the document by email attachment. For your convenience, I am attaching a copy of the responsive document to this email. As indicated in my November 19 message to you, some information in the document has been determined to be exempt from disclosure and has been redacted. Included as an attachment hereto is an exemption log which identifies the redacted information and the reasons for and statutes relied upon for withholding the information.

In accordance with Section 6.5 of the City's Public Records Request policy, if you wish to appeal a determination to withhold information, you may petition in writing or by email to the City Clerk's Office for a review of the determination within sixty (60) days of the denial of access. Please include a copy of, or reasonably identify, the part of the response to which you object. Your petition will be forwarded to the Hearing Examiner, who will consider the petition and either affirm or reverse the determination within ten (10) business days following the City's receipt of the petition, or within such greater period of time as the City and the requestor mutually agree to. You may obtain a court review of the denial of your request pursuant to RCW 42.56.520 at the conclusion of the two business days after the initial denial, regardless of any internal administrative review.
